

CVMS PIANO LESSONS

HELLO! WELCOME TO PIANO. I AM SO EXCITED TO SHARE MY LOVE OF MUSIC WITH YOUR FAMILY. DURING PIANO LESSONS, YOUR STUDENT WILL GAIN KNOWLEDGE IN THE PARTS OF THE PIANO, MUSIC THEORY, AND MUSICIANSHIP AS WELL AS INCREASE CREATIVITY, PERSEVERENCE, AND DETERMINATION.

THE LESSON

Your child will receive a weekly 25-30 minute individualized piano lesson that will be based on their needs and interests. During the lesson, they will work on ear training, music appreciation, music notation, and music theory. Please note that practicing this new skill is very important and having access to a piano or keyboard is necessary.

We will be following “Music for Little Mozarts” piano curriculum which allows the child to learn at a slower pace suitable for their young age. Payment for the books will be sent out through an invoice as they are needed.

PAYMENT

Each lesson is \$25. Payment will be due monthly at the first lesson of the month. For example: if your lesson is on Tuesdays, the first payment is due October 2 for a total of \$125.

Payment is due even if a lesson is missed. I will try to offer a makeup time as the schedule allows but it is not guaranteed. There will be one week in March that I will be absent. The date is TBD and there will be no charge.
