

Hello!

I am Abby Kokontis-Griffith and I am very excited to continue the piano studio program at CVMS! I may know many of you as I am the directress in the Lilac room. I have grown to love the families at CVMS and cannot wait to share my love of music with you!

I grew up in Cedar Rapids and graduated with a degree in music education at Coe College. Teaching lessons, in my opinion, is the best part of teaching music! It allows me to create unique, individualized lessons that are shaped by each child's needs and interests. Music education helps foster determination, creativity, and an overall well-balanced child.

Each student will receive a 30 minute lesson once a week. Each lesson is \$20. I will continue to use the beginner series of "Music for Little Mozarts" as our main books of study. Each set is \$32 and includes accompanying animals. Other supplemental materials will be used and provided.

If you are interested in taking lessons, please email me. I only have a limited amount of spots.

Please don't hesitate to email me if you have any questions!
